Dear Members and Friends,

The Connecticut Association for Children and Adults with Learning Disabilities (CACLD) is pleased to announce that through the generosity of Mary and Stephen Forsyth, this year the CACLD Youth Achievement Award will be presented to two teenagers or young adults with a learning disability.

The awards will be presented at our annual Fall Conference on Saturday, October 16, 2010 and each recipient will receive \$250 along with this prestigious award.

We are soliciting your assistance in our search for deserving recipients. The specific requirements for the nominating procedure are outlined in the Information Sheet and Application.

Thank you for your assistance. We look forward to hearing from you.
