

Proud Sponsors of CT PTA

Dear Parents,

March 24, 2016

Welcome to our 5th Annual Expo. Connecticut PTA is here to help, encourage and support you in your efforts to make every child's potential a reality. You as parents/guardians are the primary teachers for our children and have provided them with the foundation to be great learners. It is our hope that today's event will motivate, inspire and empower each of you and that you will share ideas from our Expo with your membership. Our PTAs thrive because of your work and our strong partnership. I hope you will continue to be an active part of our children's' education and look forward to continuing our work together.

Best Regards,

Kathleen Kennedy
